Varsity Wrestling

New Season to Begin - Youth Wrestlers Needed!

By Coach Jim Mack

Youth Wrestlers Wanted: If your son is looking for a fun, healthy, and athletic activity to be a part of this winter, you've found the right sport and program. I'd like to take this opportunity to extend an invitation to anyone interested, to register your child. Please contact me or any Roseau wrestling club board member if you have any questions, my number is included at the end of the article. Wrestling registration is extremely affordable at \$65 for the entire season, and this also includes free entry into all local tournaments.

A new campaign is on the horizon for our area youth wrestlers as they prepare to start their season. A good crop of young wrestlers has given the future of wrestling in Roseau a strong boost, and leaves us with reason to be excited. Last season, a total of 60+ youth wrestlers ranging from PreK-6th grade registered. It looks as though those numbers will be reached again this season, and hopefully surpassed. The youth team lost two wrestlers to the high school program this season. Both Austin Baumgartner and Pat Locklear have taken the next step in cementing their names in the program history book. Both Austin and Pat had good seasons last year and have the potential to do great things in their next 6 years in the program. I'd like to thank them for what they've done as role models in the youth program and wish them all the luck in the coming seasons.

Last season proved to be a big step for the program. Between a high rise in registered wrestlers, there was also some big accomplishments for the program along the way. Among those accomplishments were the improvements in our kids and the overall quality of wrestlers they're becoming. The improvements were noticeable at our local tournaments, but also in the regional and state level tournaments as well. Third grader Hayden Picard was a state finalist last season. He led a strong contingent of local wrestlers at the state tournament last season. They're all looking to continue where they left off last season. However, the highlight of the season for the older youth wrestlers was from our Roseau dual team at the Ralph Engelstad Arena last winter. In the large dual tournament format, our Roseau team went 3-0, winning their division championship. This was a large feat for our kids after finishing 0-3 at the same tournament just the year before. The accomplishment provided a lot of confidence for our kids and the program.

Most importantly, we balanced fun and hard work during the season and off season while also teaching this great sport to the kids. We had a couple fun nights for the kids instead of practice during the season. We also held a two-day youth wrestling camp during the summer that the kids really look forward to. Most recently, our wrestling club added a fall picnic to the list for all our wrestlers' families. These activities don't make a program great, but they do provide the kids and families opportunities to balance hard work, commitment, and work ethic with fun.

Youth wrestling practice this year will be split into three sessions. Session one will be PreK-Kinder-garten @ 5:30-6:00. Session two will be 1st-2nd grade @ 6:00-6:45. Session three will be 3rd-6th grade @ 6:45-8:00. Practice will be Monday and Thursday. Parents interested in registering their child can do so before youth practices starting Monday, December 9th @ 5:30, or any practice night after that. You can also call coach Jim Mack at (218)556-5352.
